

# **Fourth M.I.T. Conference on Computational Fluid and Solid Mechanics — Focus: Fluid-Structure Interactions**

**June 13 - 15, 2007  
Massachusetts Institute of Technology  
Cambridge, MA 02139 U.S.A.**

## **Objectives**

To bring together researchers and practitioners in the field

To promote the interchange of ideas and experiences  
between Academia and Industry

To expose young researchers to the exciting state of the art in the field

## **Conference Themes**

The focus of the Conference will be on the interdisciplinary area of Fluid-Structure Interactions

- Formulations
- Solution Procedures
- Mathematical Analyses
- Model Validations
- Optimization in Design
- Advanced Applications
